Crash Kings Reveal Tour Dates

by Staff | 07.20.2009

Los Angeles- based rockers **Crash Kings** take the three-man-band concept to their own unique level, with highly tuneful, very aggressive, hard-hitting rock on their latest album *Crash Kings*, out now on **Custard**. **Tony Beliveau's** vocals soar above the band's aural grandeur. His brother, bassist **Mike Beliveau** locks in with **Jason Morris'** powerhouse drumming, driving the deeply personal, keyboard born compositions straight to the heart. Though this band lacks a guitar, their impressive sound more than makes up for it.

The Crash Kings are set to go on tour throughout the summer and fall with **Mason Jennings**, so be sure to check them out if they come to a city near you. For tour and ticket info, go to www.myspace.com/crashkings.
